BRIEF ABSTRACT OF LETTER.

Submits a memorial to His Highness Maharaja for reinstatement

NOTES AND ORDERS.

Secretary's orders: - Submit to Dewan in continuation of previous references.

Mr. Cheemigappa's previous petition may not be submitted as
for an Assistant Commissioner's place was
submitted to Dewan on 23-6-08.

Submitted to His Highness.

With reference to His Highness' order of the 12th May 1908 saying that he is not prepared to reconsider Mr. B.N. Chennigappa's case and that Mr. Chennigappa may be informed accordingly, I submit the following representations since received from Mr. Chennigappa:-

Paper under disposal

- (1) His letter dated 22nd June 1908 to the Secretary, General and Revenue Department, apologising to Government for the course of action he adopted and requesting that he may be permitted to rejoin duty in the grade which he held before his resignation viz., as Deputy Amildar acting as Amildar.
- (2) His memorial dated 31st July 1908 addressed to His Highness the Maharaja praying that his resignation may be condoned and that he may be reinstated in the service.

In view of the humble and unqualified apology now made by Mr. Chennigappa and of the great straits to which I understand he and his family have been reduced, I venture to submit his case for His Highness' reconsideration and to recommend that His Highness may be pleased to forgive his hasty and improper

conduct and order his re-employment in the service.

I am however unable to recommend his being placed in such a responsible position as that of Amildar or Deputy Amildar, at any rate for some time to come. He may be given some ministerial appointment on a pay of not more than Rs.100 in the Secretariat or in any District office, on the occurrence of a vacancy.

I beg to add that I have ascertained that Mr Chennigappa is prepared to accept an appointment as above recommended.

I regret the delay that has occurred in answering
this official reference.

Mr Chennigappa was an Assistant Master in the
Maharaja's College from Jan^y 1897 to Oct-1900 in class
VI (50 - $\frac{10}{2}$ - 100). I am not aware that he distinguished
himself in any way in the Maharaja's College. Even
his first appointment by the Principal on a starting pay
of Rs 50 was a surprise. From Nov-1900 he was trans-
ferred to the Revenue Dept. I am afraid he can not be
much use in the Education Dept now after having
been out of touch with educational work for fully eight
years. He is moreover in his present state of mind
unlikely to work amicably or heartily with his col-
leagues in a school. As far as I know there is no
suitable post for him in the Educational Dept, as
the Dept has since 1900 employed many fresh
graduates of the same abilities as Mr Chennigappa
in a lower grade D I ($30 - \frac{4}{2} - 50$). These gradu-
ates would greatly resent the reversion of Chennigappa

not be possible to find a place of more than
about 70 Rs a month in the Educⁿ Dept, &
this pay he would probably not accept. For
everything into consideration I submit that
the Educⁿ Dept is the least suitable for a
discontented man like Mr Chennigappa.

Dear Mr. Macdonochie

I re-submit the papers about Mr. B.N.Chennigappa for His Highness' orders. Mr. Bhabha does not think it desirable to take him into the Education Department and say that in any case it would not be possible to find him a place of more than about Rs.70 a month. (Please see his note dated 16th November 1908).

The Secretary is also not in favour of taking him into the Secretariat, and suggests that, as prayed for by Mr. Chennigappa in his last application, he may be given a special compassionate allowance of say Rs.16 per month.

of H. H. the Maharaja of Mysore

Sir, I beg that you will be please
to place the following representation
before Gov^t and obtain their early or
dict:-

I was a Deputy Amildar in the
Gov^t Service and was acting as
Amildar for a very considerable
view of my long service and of the
appreciation of my work expressed
by the several officers under whom
served and feeling confident that
Gov^t would specially consider the claim
for advancement of a member of the
backward community to which I
belong, I submitted a memorial
stating that my claims might be
considered. In another representation
addressed by me to the Off^r Secy
Gov^t in elucidation of my memorial
said that my prayer was that I
might be made an Ass^t Comm^r of

Govt replied to this by saying
that I was only a Deputy Amildar,
acting Amildar and that I should
first earn my confirmation and
then aspire to become an Asst Commr.
After I had put in some
service as Amildar.

On mature reflection I now
feel that my request to be made an
Asst Commr of the 1st class was
one that I should not have made
and that the language of my repre-
sentation was far from what a
subordinate official of my position
should have adopted and such as Govt
had naturally resented, and that to such
a representation I could not expect
any other reply from Govt. But
I was unfortunately in a frame of
mind which (with criticism run mad)
prevented me from seeing the matter
in this light and on receipt of the
above reply of Govt I submitted
my resignation which Govt duly accept-
ed. Soon after I wrote a letter with-
drawing my resignation but that

informed me that my case could not be re-considered.

I beg to submit my humble unqualified apology to the Govt of His Highness the Maharaja for the course of action that I adopted. I pray that the Govt may be pleased to reconsider their decision, accept my resignation.

I have no private means & having been for so many years in Govt service it is difficult for me to take up other employment. I beg that the Govt will be gracious & pleased to excuse my past & somewhat ill-advised action; and allow me to rejoin duty in the grade which I held before my resignation viz. as Acting Amildar. I would leave entirely in the hands of the Govt the question of my confirmation as Amildar and any further advancement in the service. I beg to remain, Sir,

Your most obedient &

humble servant
